

TRES CEPAS

V.S.

Maximum expression of the brand's Brandy de Jerez. A very special product, with a smooth taste as a result of the solera used during the blending process.

Size: 1L.

Bright topaz with golden rims.

Very delicate, pleasant, with hints of white and stone fruits. Hints of caramel, a sign of the wood it has contained.

Smooth, warm and pleasant aftertaste, very balanced.

Our recommendation

- **Best enjoyed:** drink at the end of a meal.
- **Serving temperature:** consume cool, between 10-15°C.
- **Recommended storage:** dry place at room temperature.
- **Pairing:** accompanying coffee, with chocolate.
